Masonic Masters' Association

## ROSTER BOOK

2011

## **Vision of Masons**

Freemasonry in Michigan shall be a preeminent organization for men of quality, regardless of race, religion or creed, consistently delivering, by symbols, allegory and example, a moral code founded on the highest standards of ethics, honesty and strength of character, a fraternal organization committed to charity, true fellowship and brotherly love under the Fatherhood of God; and a relevant organization dedicated to delighting, involving and educating members and their families in the community, where the lodge is a vibrant, respected and contributing part of community life.

The Organization must be well-led, committed to excellence, maintain quality programs and quality use of time and should forge alliances within the community designed both to help the community and develop the character of masons.

A man who becomes a Michigan Mason can expect to find in his fraternity the opportunity to learn and to lead; to be inspired and entertained; to be challenged and respected; to be involved with his family, his Brothers and his community; and be proud to be a member of an organization committed to making a difference.

# **Objectives of the Masonic Masters' Association**

- The objectives of this Association are as follows;
- To foster a closer relationship between the officers and members of the Lodges affiliated with this Association,
- To safeguard the Ancient Landmarks of Masonry,
- To exchange ideas,
- To assist one another in the social or ritualistic functions of the various Lodges, and
- To promote a stronger bond of Fellowship among the Craft.

## **Purpose of this Booklet**

This booklet is published in the interest of Masons in South-Eastern Michigan. It is hoped, and expected, that it will assist in the communication and promotion of closer fraternal relations between member Lodges.

The Master, Wardens, and Secretary of each member Lodge will receive a copy of this booklet. Copies may also be purchased from the Association Secretary.

It is necessary that the information needed to complete this booklet be received by the MMA no later than January 15 of each year. Lodge Secretaries are reminded to send in the completed form to the MMA Secretary immediately following their Lodges election of Officers.
